

## The Hong Kong Society for Colposcopy and Cervical Pathology

Dear Fellow Members,

On behalf of Hong Kong Society for Colposcopy and Cervical Pathology, I am pleasure to invite you to participate at the HPV scientific seminar - **HPV Era in Evolving Cervical Screening Practices**.

In March 2012, new guidelines for the prevention and early detection of cervical cancer were issued jointly by the American Cancer Society (ACS), the American Society for Colposcopy and Cervical Pathology (ASCCP), and the American Society for Clinical Pathology (ASCP). The recommendation for co-testing is based on evidence from the largest clinical trial showing that adding an HPV test to cytology increases detection of cervical precancers and reduces the rate of invasive cervical cancer, compared to using a Pap test alone.

Two well renowned speakers will share the new trends of HPV test in Hong Kong and in the US.

The outline of the HPV scientific seminar is as follows:

1. Dates: April 22, 2013 (Monday)
2. Venue: Conference Hall, 9/F, Main Block, St Teresa's Hospital
3. Contents:

Time	Descriptions
6:30-7:00pm	Refreshments and Registration
7:00-7:30pm	Topic: ATHENA – Mapping the future of HPV Dr. Edward Baker, MD, Senior Director, Scientific Affairs, Roche Molecular Systems
7:30-8:00pm	Topic: The current cervical cancer screening strategy in Hong Kong Dr. LAM Siu Keung, Specialist in Obstetrics and Gynaecology, Prestige Medical Centre, Hong Kong
8:00-8:05pm	Q&A
8:05-9:00pm	Buffet Dinner in St Teresa's Hospital

We wish you could join and to exchange experiences with others. We are looking forward to welcoming you on April 22. Please let me know if you have any questions or requests.

Best Regards  
Dr. Karen Chan  
President, HKSCCP
